

Randy Breault, P.E.
Director of Public Works & City Engineer
City of Brisbane, Guadalupe Valley Municipal Improvement District
Board of Directors
Bay Area Water Supply & Conservation Agency

Randy Breault was appointed by the Guadalupe Valley Municipal Improvement District to the Board of Directors of the Bay Area Water Supply and Conservation Agency. The district provides water to an industrial park development within the Brisbane city limits, and a small residential enclave.

Breault serves as the Director of Public Works and City Engineer for the City of Brisbane and the Guadalupe Valley Municipal Improvement District. He previously was a managing engineer for Brown and Caldwell, working at the environmental engineering company's Ventura County office. He also worked for the Calleguas Municipal Water District in Ventura County.

A registered civil engineer in the State of California, Breault holds a master of science degree in Civil Engineering from Loyola Marymount University and a bachelor of science degree from the United States Air Force Academy. Breault is a Lieutenant Colonel in the United States Marine Corps Reserves.
