Water-Efficient Landscape Education Program

August - November 2011

FREE Classroom Lectures and Hands-On Workshops that focus on:

- Sustainable Landscaping
 - Use of California Native and Drought Tolerant Plants
 - Creating Healthy Soil
 - Understanding Water Conservation
- Alternatives to Lawn
- Habitat Gardening
- Edible Landscaping
- Parent/Child Gardening Workshop
- Water Efficient Irrigation Practices

HANDS-ON WORKSHOP SCHEDULE

Sept. 17 9am-12pm	Lawn Alternatives (Sherri Osaka): Learn how the use of water-efficient CA Native plants create a beautiful alternative to a typical lawn. Find out how you can qualify for the Lawn Be Gone! rebate program. This workshop will provide a hands-on demonstration on sheet-mulching, a process used to remove lawns.	Belmont
Sept. 17 1-4pm	Drip Irrigation Design and Installation (Tom Bressan): This hands-on workshop covers the design and installation of water-efficient drip irrigation systems and conversion from spray to drip.	Mountain View
Sept. 17 9am-12pm	Hardscape Design (Lyngso): Learn about permeable surfaces and their water conserving benefits. Find out how to design and install pathways and patios using decomposed granite, gravel, flagstone and pavers.	Redwood City
Sept. 24 9am-12pm	Parent/Child CA Native Plant Workshop: Experience a day of hands-on gardening while learning about our natural environment. Parents and children will help plant a demonstration garden with instruction from Acterra, Bay-Friendly Landscaping & Gardening Coalition and the City's Green Team.	Palo Alto
Oct. 1 and Oct. 8 9am-12pm	CA Native Plant Workshop (Sherri Osaka): Hands-On Workshop that will provide participants an opportunity to perform planting of CA native plants. Learn planting techniques and help create a model landscape in Sunnyvale.	Sunnyvale
Oct. 15 10am-1pm	Kid-Friendly Water Wise Workshop (Noelle Marquis): Attend this Parent/Child workshop and learn how to create a space for outdoor learning and play.	Mountain View

Additional Class Schedule on reverse side. Registration is Required
 Email landscape@bawsca.org or call 650-349-3000 to Register

Hands-on workshops have limited space.

Attendees of hands-on workshops should dress appropriately for gardening.
