**NOTE: IT IS THE PROPOSER'S RESPONSIBILITY TO EXAMINE
THIS "REQUEST FOR PROPOSALS" SOLICITATION IN ITS ENTIRETY PRIOR TO
SUBMITTING A PROPOSAL**

1. INTENT OF REQUEST FOR PROPOSALS

The Bay Area Water Supply and Conservation Agency (BAWSCA) is soliciting proposals from qualified service providers for volumetric customer water meter accuracy testing services (Meter Testing Program). Customer water meter test results will inform the assessment of customer metering inaccuracies within the American Water Works Association (AWWA) Water Audit (M36), the quantification of apparent losses, and apparent loss management program design.

2. ABOUT BAWSCA

BAWSCA provides regional water supply planning, resource development, and conservation program services for the benefit of the 16 cities, 8 water districts, and 2 private water suppliers (Wholesale Customers) that provide water to over 1.78 million residents and thousands of commercial, industrial and institutional customers in Alameda, San Mateo and Santa Clara Counties. BAWSCA's goals are to ensure a reliable supply of high quality water at a fair price. BAWSCA is governed by a 26-member Board of Directors.

BAWSCA manages a Regional Water Conservation Program that is made up of several different programs and initiatives and is designed to support and augment the BAWSCA member agency and customer efforts to use water more efficiently. The Regional Water Conservation Program includes both Core Programs, implemented regionally throughout the BAWSCA service area, and Subscription Programs, funded by individual member agencies that elect to participate (Participating Agencies) and implemented within their respective service areas.

3. PROJECT BACKGROUND

In 2018, BAWSCA implemented a Water Loss Management Program to support the participating BAWSCA agencies in reducing water losses to an economically optimized level and in complying with water loss requirements implemented by the State of California. The customer meter testing effort is a component of a broader regional Water Loss Control Program. During the fall of 2018, participating BAWSCA member agencies completed validated AWWA-methodology water audits to assess distribution system losses and fulfill auditing requirements stipulated by Senate Bill 555. The water auditing process revealed that many BAWSCA member agencies are not equipped to estimate their volumes of apparent losses resulting from customer metering inaccuracies. An understanding of the accuracy of the customer meter stock is required for accurate water auditing and effective water loss control program design.

The water auditing and water loss control program is in part guided by Water Systems Optimization Inc. (WSO), the firm contracted to provide technical assistance with water audits, component analysis of real and apparent losses, and leak detection. WSO and participating BAWSCA member agencies are collaborating to design random and representative small meter test samples, and identify key large meters for testing. BAWSCA

intends to hire a meter testing firm(s) to test the meters selected by WSO and Participating Agencies using the meter test methods outlined in AWWA Manual M6: *Water Meters – Selection, Installation, Testing, and Maintenance*. Test results must be reported in the standardized format prescribed by WSO, which is outlined beginning on page 4 of this document.

This Meter Testing Program will be implemented as a Subscription Program, funded by the individual agencies that elect to participate and implemented for their respective service areas. It is estimated that 3 to 10 BAWSCA member agencies will participate in the program in the first year.

4. PROJECT DESCRIPTION

BAWSCA proposes to hire a firm or firms (there may be more than one – the term “Contractor” used in this request for proposals should be interpreted to be both singular and plural) that will provide volumetric customer meter testing services concordant with AWWA best-practice methodology to up to 26 BAWSCA member agencies. Some BAWSCA member agencies are well-versed in customer meter testing programs, as they have engaged in customer meter testing in the past. Others, are less familiar with customer meter testing and do not have meter testing equipment.

Meter testing services will need to encompass small meters (3” and smaller) and large meters (4” and larger). Small meters will be removed and placed on a mobile test bench or transported to a testing facility. Large meters will be tested in-situ.

Both small meters and large meters will be tested at a minimum of three flow rates that represent a low flow rate, an intermediate flow rate, and a high flow rate. Small meter flow rates will be drawn from AWWA Manual M6: *Water Meters – Selection, Installation, Testing, and Maintenance*. Small meter tests must be conducted for a duration sufficient to ensure a quantity of throughput that minimizes test uncertainty. Large meter test flow rates will be selected based on each meter’s consumption history and flow distribution profile. In the absence of this information, large meter test flow rates will be drawn from Manual M6. Large meter tests must also be conducted for a duration sufficient to ensure a quantity of throughput that minimizes test uncertainty.

Test results must be reported to each Participating Agency in the standardized format prescribed by WSO. Test results will be documented in Excel spreadsheets and capture the following information at a minimum for each meter tested, though additional reporting requirements may be established:

- Date of test
- Staff conducting test
- Meter serial number
- Meter location (e.g. address)
- Meter size
- Meter manufacturer

- Meter model or type
- For each flow rate test (low flow rate, intermediate flow rate, and high flow rate):
- Flow rate
- Tested meter register/totalizer start value
- Tested meter register/totalizer stop value
- Reference meter register/totalizer start value (if reference meter used)
- Reference meter register/totalizer stop value (if reference meter used)
- Volume of throughput (if no reference meter used)
- Reference meter accuracy or throughput adjustment (if applicable)
- Test duration
- Miscellaneous notes

Furthermore, test results must be recorded to as many significant figures as are available given test instrumentation.

Task 1 - Project Management

Contractor will provide administrative services to oversee the day to day implementation of the Project. To keep the work on schedule and budget, Contractor must provide BAWSCA with monthly status and budget updates by task and by participating agency. The information can be shared via phone or email in combination with updated Excel spreadsheets detailing budget and schedule status.

Contractor will periodically meet with BAWSCA project manager and WSO, either via phone or in person, to discuss Project goals, progress, and outcomes.

Task 2 – Meetings

Contractor will meet in-person with BAWSCA, Participating Agencies, and WSO staff to confirm the alignment of meter test protocols with desired best-practice methodology. Contractor’s main contact team, timeline, exact procedure, template for results reporting, and workflow will be agreed upon.

Deliverables for Task 2:

- Meeting attendance
- Verbal agreement about test program structure and procedures
- Documents enumerating the test procedures for small and large meters

Task 3 – Coordinate meter testing schedule and logistics

Contractor will connect with relevant staff at each Participating Agency to establish a working relationship and schedule meter tests. Each Participating Agency will furnish a list of meters to be tested that includes meter sizes, types, and locations. The Contractor must coordinate the

meter test effort with each agency to comply with safety and notification standards, permit the Participating Agency to maintain standard operations, and meet testing program deadlines agreed upon in Task 1.

Deliverables for Task 3:

- Written schedule of testing for each Participating Agency

Task 4 – Test small meters and large meters

Participating Agencies that contract for meter testing services have the option of random and representative small meter testing, targeted large meter testing, or both small and large meter testing. Based on the schedule and meter selection agreed upon in Task 2, the Contractor will conduct meter testing and adhere to the testing schedule.

Participating Agencies will pull the meters to be tested from the field and deliver them to the meter testing firm with the agreed upon identification labeling. However, a few Participating Agencies may prefer that the meter testing firm pull the meters from the field for testing.

Test results must be documented using the template supplied by WSO and capture all requested information. Test results should be delivered at least once per week to the participating agency and, if authorized by the participating agency, to WSO, via email.

Deliverables for Task 4:

- Spreadsheets that record test results as specified by WSO, delivered weekly to the Participating Agency and BAWSCA.
- Brief weekly summaries of difficulties or unexpected situations encountered during the course of testing, delivered weekly to the Participating Agency and BAWSCA.

Task 5 – Meet with BAWSCA and WSO to evaluate the meter testing program

WSO, BAWSCA, and the Contractor will meet in-person to evaluate the meter testing program and produce a report that documents the regional Water Loss Control Program meter testing effort. WSO will author the report and will require both verbal and written input from the Contractor.

Deliverables for Task 5:

- Meeting attendance and discussion of meter testing program successes, challenges, and commonalities.
- Provision of any written material requested by WSO to inform the final meter testing program report.

5. PROJECT SCHEDULE

BAWSCA anticipates commencing work in November 2019. Work will be contracted on a fiscal year basis, with Phase 1 to be completed by June 30, 2020. Ideally, the first round of meter testing is completed by January 2020 so that Participating Agencies can use the test data toward their 2019 reporting requirements.

Proposals must include a detailed schedule demonstrating Contractor's proposed approach for completing each task. An estimated schedule is provided in Table A.

Table A: Project Schedule

Milestone	Date
Release of RFP	September 3, 2019
Proposal Due Date	October 1, 2019
Applicant Interviews (<i>tentative, if needed</i>)	October 8, 2019
Contractor Selection Committee Consideration Board Consideration	October 9, 2019 November 21, 2019
Contract Execution	November 2019
Task 2	December – January 2020
Task 3	January 2020 & as needed
Task 4	February - March 2020
Task 5	April – May 2020

All solicitation dates are subject to change at the sole discretion of BAWSCA.

6. REQUIRED PROPOSAL FORMAT

The response to this RFP may be in a letter format. There is no page limitation, but proposers are encouraged to be succinct. Proposers should only include information that is essential to understand and evaluate proposals. Items not specifically and explicitly related to the RFP and proposal (e.g. brochures, marketing material, etc.) will not be considered in the evaluation. Please submit all requested information, documents, insurance certificates, and applicable licenses with your proposal. Proposers must have a business license, proof of insurance, and key staff assigned to the project and identified in their proposal with substantial experience in water use efficiency program planning and evaluation.

Proposals shall include the following components, labeled and ordered exactly as listed below:

A. Project Team

Proposals shall describe the specific experience and capabilities of the designated project coordinators and lead water meter testing technicians. Proposals shall identify the prime Contractor and any subcontractors proposed to be used.

Proposals shall include a description of the company's organization, number of years in business, and relevant experience. Proposals shall provide names and

biographies of key team members that will be committed to the Project. Proposals shall include a project organization chart (1) identifying the key staff who will be assigned to the Project and (2) illustrating the lines of authority and the individual responsible for the completion of each service component and deliverable.

B. Qualifications

Proposals shall describe the past record of water meter testing and performance on similar projects for which the Contractor has provided service. Proposals shall include a concise summary of such factors as control of costs, quality and extent of work, coordination with multiple agencies simultaneously, and fidelity to deadlines. Proposals shall include at least (5) client references that BAWSCA may contact, preferably from Northern California, for similar work conducted. For each reference, proposals shall include a contact name with current phone number and email address and a description of the services performed for each reference.

C. Equipment and Facilities

Proposals shall list and describe the technologies and facilities relevant to this water meter testing program that the Contractor owns and operates. Proposals shall include an explanation of capacity for the number and type of meter tests, as well as the primary employee in charge of maintaining and/or operating each technology or facility. Proposals shall also include an explanation of the quality control measures in place to ensure accurate and consistent meter test results.

D. Capacity

Proposals shall describe the Contractor's capacity to test quantities of small meters and large meters. It is possible, though unlikely, that as many as 1,500 small meters may be identified for testing over the course of five months. An additional set of large meters, perhaps 10 per participating agency, may also be tested. Proposals shall address Contractor's capacity to address the extent and timeline of this meter testing effort, including the uncertainty inherent in initial planning and scoping.

E. Budget

Proposals shall provide a detailed breakdown of the costs of meter testing including, but not limited to, the cost of each meter test by meter size and/or test type, any discounts related to the number of meter tests purchased, and additional staff, administrative, or overhead costs. For agencies needing the Contractor to pull meters from the field, a fixed per-meter cost should be included in the detailed pricing information.

Proposals shall also separately identify costs of all sub-contractors and anticipated reimbursable expenses other than labor. The costs submitted should reflect the economy of scale of having a single contract to provide assistance to multiple agencies simultaneously while working with a single point of contact at BAWSCA and no more than three points of contact at WSO.

F. Schedule

Proposals shall provide confirmation of adherence to the schedule outlined in this RFP. Alternatively, proposals may include and justify an alternate testing schedule.

G. Exceptions to RFP & Standard Agreement

In accordance with Section 15, proposals shall provide a statement that Proposer is prepared to sign the standard Agreement without alterations or exceptions or whether it is requesting modifications to the standard Agreement and/or any requirements of this RFP. A copy of the BAWSCA standard Agreement is attached as Exhibit A. Any exception taken to the RFP requirements or standard Agreement must be clearly identified and described. Failure to specify any exceptions or objection to the requirements, and terms and conditions of this RFP will constitute acceptance of BAWSCA's requirements.

H. Levine Act Statement

California Government Code Section 84308, commonly referred to as the "Levine Act," prohibits any BAWSCA Board Member from participating in any action related to a contract if he or she receives any political contributions totaling more than \$250 within the previous twelve months, and for three months following the date a final decision concerning the contract has been made, from the person or company awarded the contract. The Levine Act also requires a member of the BAWSCA Board who has received such a contribution to disclose the contribution on the record of the proceeding. Proposers must complete Exhibit B, California Levine Act Statement, and submit it with their proposal.

7. PROPOSAL INSTRUCTIONS AND SUBMITTAL INFORMATION

Questions regarding the required services, the contents of the proposal, the selection procedures, or any other requirements in this RFP should be submitted in writing no later than September 11, 2019 by 5:00 p.m., Pacific Standard Time. Questions should be directed to Andree Johnson, Senior Water Resources Specialist, by e-mail at ajohnson@bawasca.org. BAWSCA's reply to questions and/or requests for clarification will be provided by September 18, 2019 to all firms that received the RFP package and will be posted to the BAWSCA website.

Hard copy proposals and an electronic copy must be received by BAWSCA via mail or in person by 5:00 pm, October 1, 2019. *Late proposals will be returned unopened. Proposals received after this deadline, but postmarked prior to the deadline will not be accepted.*

1. All proposals must be responsive to the instructions of this RFP. Proposals that do not meet all RFP requirements and instructions may be rejected at the sole discretion of BAWSCA.
2. Complete the detailed proposal as described in Section 6. The content of the proposals should be ordered and numbered as listed in Section 6.
3. Submit three identical copies of the detailed proposal, as well as one searchable electronic copy. The electronic copy of the proposal may be provided on a USB drive

or e-mailed to ajohnson@bawasca.org. *Submittal of the electronic proposal does not substitute for the hard copy proposals. Both hard copy proposals and an electronic copy must be received by the proposal deadline of 5:00 pm on August 1, 2019.*

Please send proposals to:

Bay Area Water Supply & Conservation Agency
Attention: Andree Johnson, Senior Water Resources Specialist
155 Bovet Road, Suite 650
San Mateo, CA 94402

All proposals will become the property of BAWSCA. Refer to Section 13, Confidentiality.

8. EX-PARTE COMMUNICATIONS

Proposers and Proposers' representatives may not communicate with BAWSCA's Board Members except in writing and if the communication is made public. Proposers and Proposers' representatives must communicate in the manner set forth in this RFP. There shall be no communication with any officer, director, employee, or agent of BAWSCA, except as may be reasonably necessary to carry out the procedures specified in this RFP.

Nothing herein prohibits Proposers and their representatives from making oral statements or presentations in public to one or more representatives of BAWSCA during a public meeting.

9. ADDENDA TO RFP

BAWSCA reserves the right to amend this RFP at any time. Any amendments to or interpretations of the RFP shall be described in written addenda. Each prospective Proposer receiving RFP package will be sent a notification of the posting of clarifications. All addenda issued shall become part of the RFP. If BAWSCA determines that the addenda may require significant changes in the preparation of proposals, the deadline for submitting the proposals may be postponed by the number of days that BAWSCA determines will allow Proposers sufficient time to revise their proposals. Any new due date shall be included in the addenda.

10. WITHDRAWAL OF PROPOSAL

Submission of a proposal constitutes a firm offer to BAWSCA for one-hundred (100) days from the deadline for submitting proposals. A Proposer may withdraw its proposal before the date proposals are due by submitting a written request to BAWSCA. BAWSCA reserves the right to reject any and all proposals, the right to accept the proposal it considers most favorable to BAWSCA's interests, and the right to waive irregularities in the proposal or proposal process.

11. EVALUATION OF PROPOSALS AND SELECTION PROCEDURE

By submitting a Proposal, each Proposer agrees that BAWSCA may consider the Proposer's experience, facilities, delivery abilities, conduct and performance under other contracts, financial condition, reputation in the industry, and other factors which could affect the Proposer's performance under this Agreement. Only Proposers who have demonstrated the ability to meet the requirements of this RFP will be considered for selection. BAWSCA reserves the right to determine the highest qualified Proposer to provide the requested services.

Responses must be prepared and submitted in accordance with the directions specified in Sections 6 and 7. BAWSCA will review proposals and evaluate them based on their relative ranking in each area of the proposal, according to the criteria specified below.

BAWSCA reserves the right to conduct interviews and hold discussions with any individual or qualified firm, but also may award the contract without conducting interviews. If BAWSCA conducts interviews, it will do so only with those Proposers found to be within the "competitive range." BAWSCA requests that Proposers reserve August 12, 2019 for potential interviews.

BAWSCA may request additional information from any Proposer. BAWSCA may also request revised proposals or best and final offers.

The maximum possible total combined score for a proposal is 100 points. Proposals will be evaluated based on the following weighted criteria:

Qualifications and Experience of Firm and Key Personnel (25%)

Proposals will be evaluated based on the qualifications of the firm and its key personnel as related to the specific tasks in Section 4. Particular consideration will be given to the past record of water meter testing and performance on similar projects. Proposers who have the experience and qualifications to implement similar projects will be rated higher than Proposer who do not have the relevant experience and qualifications. Refer to Section 6, subsections B and C.

Project Understanding, Approach and Scope of Work (25%)

Proposals will be evaluated based on the Proposer's ability to complete the tasks described in Section 4 and on the overall clarity of the proposal written in the format described in Section 6. Proposals will be evaluated on the proposed approach for accomplishing each task and meeting the overall objective of this Project. Refer to Section 6, subsections A and D.

Ability to Meet Project Timeline (25%)

Proposals will be evaluated based on the Proposer's demonstrated ability to complete all tasks related to the project within the proposed timeline. Refer to Section 6, subsection D.

Cost (25%)

Proposals will be evaluated based on the Proposer's overall value provided within the proposed budget. Refer to Section 6, subsection D and E.

All proposed costs shall be inclusive of all labor, materials, insurance, overhead, profit, subcontractor costs, warranty, training, taxes, and all other costs to implement the Project. Refer to Section 6, subsections A, D, and E.

12. BAWSCA RIGHTS

This RFP does not commit BAWSCA to award an Agreement(s), to pay any costs incurred in the preparation of the proposal for this request, or to procure or contract for services. BAWSCA reserves the right to modify or cancel in whole or in part this RFP, to reject any and all proposals, to accept the proposal it considers most favorable to BAWSCA's interest in its sole discretion, and to waive irregularities or informalities in any proposal or in the proposal procedures. BAWSCA further reserves the right to reject all proposals and seek new proposals when BAWSCA considers such procedure to be in its best interest.

If there is any evidence indicating that two or more Proposers are in collusion to restrict competition or are otherwise engaged in anti-competitive practices, the proposals of all such Proposers shall be rejected, and such evidence may be a cause for disqualification of the participants in any future solicitations undertaken by BAWSCA.

13. CONFIDENTIALITY

The California Public Records Act (Cal. Govt. Code § 6250 et seq.) mandates public access to government records. Therefore, unless the information is exempt from disclosure by law, the content of any request for explanation, exception or substitution, response to these specifications, protest or any other written communication between BAWSCA and the Vendor shall be available to the public.

If the Proposer believes any communication contains trade secrets or other proprietary information that the Proposer believes would cause substantial injury to the Proposer's competitive position if disclosed, the Proposer shall request that BAWSCA withhold from disclosure the proprietary information by marking each page containing such proprietary information as confidential. Proposer may not designate its entire proposal as confidential.

If the Proposer requests that BAWSCA withhold from disclosure information identified as confidential, and BAWSCA complies with the Proposer's request, the Proposer shall assume all responsibility for any challenges resulting from the non-disclosure, indemnify and hold harmless BAWSCA from and against all damages (including but not limited to attorneys' fees that may be awarded to the party requesting the Proposer information), and pay any and all costs and expenses related to the withholding of the Proposer information. The Proposer shall not make a claim, sue or maintain any legal action against BAWSCA or its directors, officers, employees or agents in connection with the withholding from disclosure of Proposer information.

If the Proposer does not request that BAWSCA withhold from disclosure information identified as confidential, BAWSCA shall have no obligation to withhold the information from disclosure and may release the information sought without liability to BAWSCA.

14. WAIVER

By submitting a proposal, the Proposer represents and warrants that it has sufficiently informed itself in all matters affecting the performance of the work requested in this Request for Proposals; that Proposer has checked its proposal for errors and omissions; that the rates stated in its proposal are correct and as intended by it and are a complete and correct statement of its rates for performing the work requested in this Request for Proposals.

The Proposer waives any claim against BAWSCA for costs incurred in preparing a proposal and responding to this RFP.

15. FORM OF AGREEMENT

The Contractor selected by BAWSCA to perform the services as set forth in this RFP will be required to execute an Agreement with BAWSCA. A sample of BAWSCA's standard Agreement is attached as Exhibit A so that potential Proposers have an opportunity to review the terms and conditions of the Agreement. A sample of BAWSCA's Participation Agreement, the agreement between the BAWSCA and Participating Agencies, is also attached as Exhibit C so that potential Proposers have an opportunity to review the format and terms. If a Proposer desires any modifications to the terms of Agreement, Participation Agreement, or this Request for Proposals, those requested modifications must be submitted for consideration with the proposal. Otherwise, the Proposer will be deemed to have accepted all the terms and conditions included in the form of Agreement and this Request for Proposals.

Exhibit A: BAWSCA Standard Agreement

THIS AGREEMENT is made as of this _____ day of ____ 2019, by and between the **Bay Area Water Supply & Conservation Agency** (“Agency”) and _____ (“Contractor”).

WHEREAS, Agency desires to obtain professional services for customer water meter testing and has issued a Request for Proposals, dated _____, 2019, a copy of which is attached and incorporated as Exhibit A, and

WHEREAS, Contractor desires to perform such services and has represented that it is experienced and qualified to perform such services. It has submitted a written proposal/agreed to a scope of work, dated _____, 2019, a copy of which is attached and incorporated as Exhibit B.

NOW, THEREFORE, THE PARTIES AGREE AS FOLLOWS:

1. SCOPE OF SERVICES

Contractor will provide Agency the services set forth in Exhibit A, as supplemented by Exhibit B, in accordance with the terms and conditions of this Agreement. Agency may also engage Contractor for additional work as set forth in Section 3 below. In the event of any inconsistency between Exhibit A and Exhibit B, Exhibit A shall control.

2. SCHEDULE

Contractor will commence work upon Agency’s issuance of a Notice to Proceed and, unless the Agreement is terminated sooner pursuant to Section 19, will complete the initial one-year term of the customer water meter testing services in accordance with the Schedule included in Exhibit B.

The initial term of the services shall be one year. Thereafter, the Agency may, in its sole discretion, exercise four one-year option terms to extend the services.

3. COMPENSATION

The Contractor agrees to perform all of the services included in Section 1 for the costs in accordance with Exhibit B. Agency shall pay Contractor based on (1) the number of BAWSCA member agencies (“Participating Agency(ies)”) that return a Participation Agreement (attached and incorporated as Exhibit C) for the Customer Water Meter Testing Program and (2) the level of participation they select. The total all-inclusive sum includes all labor, materials, taxes, profit, overhead, insurance, subcontractor costs and all other costs and expenses incurred by the Contractor,

The not-to-exceed amount is not guaranteed; compensation will be based on services actually rendered and expenses actually incurred. Agency will pay Contractor at the rates set forth on Exhibit B and will reimburse Contractor for out-of-pocket expenses reasonably and necessarily incurred in performing the work.

The Agency's General Manager may from time to time request Contractor to perform additional tasks outside the scope of work described in Section 1, and not subject to the not-to-exceed

amount described above. At Agency's request, Contractor will provide a proposal for such additional task(s). If engaged, such task(s) will be on a work directive basis and will include a separate not-to-exceed budget for each specific task.

4. MANNER OF PAYMENT

Contractor will submit detailed monthly invoices describing the work performed in the previous month, the personnel performing the work, and their applicable hourly rates of compensation, which shall be consistent with Exhibit B. Invoices will also include total expenditures to date and the remaining balance on the budgeted or not-to-exceed amount. Invoices will be prepared in a format acceptable to Agency.

Agency will pay for work satisfactorily performed within thirty (30) days after receipt of an invoice meeting the requirements of this section. Should Agency dispute the accuracy of any invoice, or deem Contractor's work unsatisfactory, Agency will notify Contractor within 30 days of receipt of such an invoice. Agency will only pay the undisputed portion of any invoice. Resolution of a dispute over an invoice will be pursuant to Section 20.

5. CHANGES

Agency may from time to time make changes to the scope of work by written notice to Contractor. If such changes increase, or decrease, the Contractor's cost of performing the work, or the time required for its completion, an equitable adjustment as mutually agreed will be made to the limit on compensation contained in Section 3, or the Schedule referred to in Section 2, or both. In the event that the Contractor encounters any unanticipated conditions or contingencies that may affect the scope of work or services, schedule, or the amount of compensation specified herein, the Contractor will notify the Agency immediately of such condition or contingency. The Contractor will explain the circumstances giving rise to the unforeseen condition or contingency and will suggest the proposed adjustment in schedule or compensation. Contractor will notify the Agency prior to the time that the Contractor performs work or services related to any proposed adjustment. Any agreed-upon changes will be memorialized in a written amendment to the Agreement.

6. CONTRACTOR'S STATUS

Contractor is an independent contractor and not a partner or agent of, nor a joint venturer with, Agency. Neither Contractor nor any of Contractor's officers or employees are employees of Agency for any purpose. Contractor will determine the means and methods by which the work is performed; Agency may, however, monitor Contractor's performance.

7. ASSIGNMENT

Contractor may not assign any of its rights nor transfer any of its obligations under this Agreement without the prior written consent of Agency.

8. SUBCONTRACTORS

Contractor may not subcontract any work to be performed under this Agreement without the prior written consent of Agency, except for minor administrative services.

The following subcontractor(s) is(are) approved by Agency for the following task(s):

[TBD]

Contractor will be solely responsible for reimbursing any subcontractors and Agency will have no obligations to them.

9. KEY PERSONNEL

A material consideration in Agency's selection of Contractor is the experience and qualifications of the following persons.

[TBD]

The Contractor agrees that these personnel will devote their personal attention to the work, as further described in Exhibit B. Contractor may substitute Key Personnel only with written approval of the Agency, which approval will not be unreasonably withheld. A request for substitution must demonstrate the replacement person's similar qualifications and experience for a position.

10. STANDARD OF CARE

Contractor will exercise the same degree of care, skill and diligence in the performance of the work as would be exercised by a reasonable professional performing similar work in the San Francisco Bay Area under similar circumstances. Contractor will re-perform, at no cost to Agency, services which fail to meet this standard. In the performance of its work, the Contractor represents that it (1) carries all applicable licenses, certificates, and registrations in current and good standing that may be required to perform the work; and (2) will retain all such licenses, certificates, and registrations in active status throughout the duration of this engagement.

11. OWNERSHIP OF WORK

All reports, plans and any other materials prepared, or in the process of being prepared, by Contractor under this Agreement are the property of Agency. Agency will be entitled to access to and copies of these materials during the progress of the work. Upon completion of the work, or earlier termination of this Agreement, all such materials in the possession of Contractor or any subcontractor will be delivered to Agency. If any such materials are lost, damaged, or destroyed before delivery to Agency, Contractor will replace them at its own expense. Contractor may retain a copy of all materials produced under this Agreement for archival purposes, subject to the provisions of Section 12.

Any copyrightable work created by Contractor under this Agreement will be deemed a "work made for hire" for purposes of copyright law. Contractor agrees to execute any additional documents which may be necessary to evidence the assignment of all rights of copyright to Agency.

The Contractor represents and warrants that all materials prepared under this Agreement are original or developed from materials in the public domain (or both) and that all materials prepared under and services provided under this Agreement do not infringe or violate any copyright, trademark, patent, trade secret, or other intellectual-property or proprietary right of any third party.

12. CONFIDENTIALITY

Contractor will hold in confidence any Agency materials to which the Contractor has access, or materials prepared by the Contractor during the course of this Agreement ("Confidential Information"). Contractor will exercise all reasonable precautions to prevent the disclosure of Confidential Information to anyone except the officers, employees, and agents of the Contractor as necessary to perform services under this Agreement. Contractor, its employees, subcontractors, and agents, may not release any Confidential Information, and any reports or other materials prepared by it under this Agreement, whether deemed confidential or not, without the prior written approval of.

13. INDEMNIFICATION

Contractor will defend, indemnify and hold harmless the Agency, its directors, officers, employees and agents from and against any and all suits, claims or actions arising out of (i) any injury to persons or damage to property that may occur, or that may be alleged to have occurred, arising from the performance of this Agreement by the Contractor and caused by the willful misconduct, negligent act or omission by Contractor, its employees, subcontractors or agents, or (ii) any allegation that materials or services provided by the Contractor under this Agreement infringe or violate any copyright, trademark, patent, trade secret, or any other intellectual-property or proprietary right of any third party.

The Contractor further agrees to defend any and all such suits, claims or actions, and pay all reasonable charges of attorneys and all other costs and expenses of defenses as they are incurred. If any judgment is rendered against the Agency or any of the other individuals enumerated above in any such action, the Contractor will, at its expense, satisfy and discharge the same. This indemnification will survive the expiration or earlier termination of this Agreement.

14. INSURANCE

A. Types of Insurance

(1) Workers' Compensation Insurance. If Contractor employs any person to perform work under this Agreement, Contractor will procure and maintain:

(a) Workers' Compensation Insurance meeting the requirements of the State of California, and

(b) Employer's Liability Insurance with a policy limit of at least One Million Dollars (\$1,000,000) per accident or illness.

The policy will contain a waiver of subrogation in favor of Agency and its directors, officers, employees and agents.

(2) Commercial General Liability Insurance. Contractor will procure and maintain Commercial General Liability insurance providing bodily injury and property damage coverage with a combined single limit of at least One Million Dollars (\$1,000,000) per occurrence or claim and a general aggregate limit of at least Two Million Dollars (\$2,000,000). This insurance will include, but not be limited to, premises and operations, contractual liability covering the indemnity provisions

contained in this Agreement, personal injury, products and completed operations, and broad form property damage, and include a Cross Liability endorsement. Said Policy will protect the Contractor and the Agency in the same manner as though a separate policy had been issued to each, but nothing in said policy will operate to increase the insurance company's liability as set forth in its policy beyond the amount or amounts shown or to which the insurance company would have been liable if only one interest had been named as an insured.

(3) Comprehensive Automobile Liability Insurance. Contractor will procure and maintain Automobile Liability insurance on vehicles used in connection with its business in an amount not less than One Million Dollars (\$1,000,000) combined single limit per occurrence or claim. This insurance will provide contractual liability covering all motor vehicles and mobile equipment to the extent coverage may be excluded from general liability insurance.

(4) Professional Liability Insurance. Contractor will maintain Professional Liability insurance covering Contractor's performance of this Agreement in an amount not less than One Million Dollars (\$1,000,000) per occurrence or claim.

B. Other Requirements

(1) Insurers. All insurance policies must be issued by a California admitted carrier. Insurance policies issued by surplus lines carriers are not acceptable absent the express written approval of Agency and the carrier is listed on the California DOI LASLI list. Policies must be issued by insurers must have a Best Financial Strength Rating of A- or better, and be in the Best Financial Size Category of VII or larger.

(2) Endorsements

(a) The company(ies) issuing all such policies will agree to give Agency thirty (30) days advance written notice of non-renewal or cancellation.

(b) The Commercial General Liability and Automobile Liability policies will include Agency, its directors, officer and employees as additional insureds.

(c) The Commercial General Liability and Automobile Liability policies will be primary to and not contributing with any insurance maintained by Agency.

(d) The inclusion of more than one insured will not affect the rights of such insureds as against one another; such policies will protect Contractor and Agency as though a separate policy had been issued to each, but inclusion of more than one insured will not increase the limits of the insurer's liability.

(3) Evidence of Insurance. Before commencing work, Contractor will provide Agency with a certificate or certificates of insurance evidencing the existence of the required insurance policies. Agency may request a duplicate original of such policies and endorsements. The Contractor may not violate or permit to be violated any conditions or provisions of said policies of insurance, and at all times will satisfy the requirements of the insurer for the purpose of maintaining the required insurance in effect.

(4) Notice to Agency. If any claim is made by any third person against the Contractor on account of any incident connected to the Agreement, the Contractor will promptly report the fact in writing to the Agency, giving full details of the claim.

(5) Self-Insurance, Deductibles, and Retentions. Upon evidence of financial capacity satisfactory to the Agency, and Contractor's agreement to waive subrogation against the Agency respecting any and all claims that may arise, Contractor's obligation hereunder may be satisfied in whole or in part by adequately funded self-insurance. Contractor shall be responsible for payment of any deductible or retention on Contractor's policies without right of contribution from the Agency. Deductible and retention provisions shall not contain any restrictions as to how or by whom the deductible or retention is paid. Any deductible or retention provision limiting payment to the Named Insured is unacceptable. In the event that the policy of the Contractor or any subcontractor contains a deductible or self-insured retention, and in the event that the Agency seeks coverage under such policy as an additional insured, Contractor shall satisfy such deductible or self-insured retention to the extent of loss covered by such policy for a lawsuit arising from or connected with any alleged act or omission of Contractor, subcontractor, or any of their officers, directors, employees, agents, or suppliers, even if Contractor or subcontractor is not a named defendant in the lawsuit.

(6) Subcontractors. Any person, firm, or corporation that the Contractor authorizes to work pursuant to this Agreement, including any subcontractor, is deemed to be the Contractor's agent and is subject to all applicable terms of this Agreement. Prior to the Contractor's start of the work, the Contractor is required to assess the risks associated with work to be performed by its subcontractors and to include in every subcontract the requirement that the subcontractor maintain adequate insurance coverages with appropriate limits and endorsements to cover such risks. To the extent that any subcontractor does not procure and maintain such insurance coverage, Contractor shall be responsible for said coverage and assume any and all costs and expenses that may be incurred in securing said coverage or in fulfilling Contractor's indemnity obligation as to itself or any of its subcontractors in the absence of insurance coverage.

15. RECORDS

Agency and its authorized representatives, including the California State Auditor, may inspect and make copies of Contractor's books, records and data relating to the Agreement at any reasonable time and may audit and verify invoices submitted by Contractor. Contractor will provide such assistance as may be reasonably required in the course of such inspection and audit.

Contractor will maintain its records relating to this Agreement, and make them available for inspection, for a period of three (3) years after Agency makes final its payment to Contractor.

16. NONDISCRIMINATION

In connection with the performance of this Agreement, the Contractor shall not discriminate against any employee or applicant for employment because of race, color, religion, citizenship, political activity or affiliation, national origin, ancestry, physical or mental disability, marital status, age, medical condition (as defined under California law), veteran status, sexual orientation, gender identity, gender expression, sex or gender (which includes pregnancy, childbirth, breastfeeding, or related medical conditions), taking or requesting statutorily protected leave, or any other

characteristics protected under federal, state, or local laws. The Contractor shall take affirmative actions to ensure that applicants are employed, and that employees are treated during their employment, without regard to their race, religion, color, sex, disability, national origin, or any other characteristic protected under state, federal, or local laws. Such actions shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor further agrees to insert a similar provision in all subcontracts, except subcontracts for standard commercial supplies or raw materials.

17. COMPLIANCE WITH LAW

In connection with the performance of this Agreement, Contractor will comply with all applicable federal and state laws, including regulations of federal and state agencies, and with applicable local ordinances.

18. MODIFICATION

This Agreement may be modified or amended only by a written document signed by both parties.

19. TERMINATION

Agency may terminate this Agreement at any time and for any reason by written notice. Upon receiving notice of termination, Contractor will promptly deliver to Agency all materials prepared or obtained in performance of this Agreement and will not commit itself to any further expenditure of time or resources.

If the Agreement is terminated for any reason other than a breach or default by Contractor, Agency will pay Contractor, in accordance with the provisions of Sections 3 and 4, all sums actually due and owing from Agency for all services performed and all expenses incurred up to the day written notice of termination is given, plus any costs reasonably and necessarily incurred by Contractor to effect such termination. If the Agreement is terminated for breach or default, Agency will pay Contractor for only those services performed and expenses incurred in full accordance with the terms of this Agreement, up to the effective date of termination. Whether terminated for breach or for convenience, the Agency will not in any manner be liable for the Contractor's actual or projected lost profits had the Contractor completed the services required by this Agreement.

20. DISPUTE RESOLUTION

In the event of any dispute, the parties will promptly meet and confer, first at a staff level and then elevated to a meeting of executives, in a good faith attempt to resolve the dispute. If a dispute cannot be resolved by the parties independently, they may agree to submit such dispute to non-binding mediation by a mutually agreed-upon neutral third party with offices in the San Francisco Bay Area. The cost of mediation will be shared equally. Unless otherwise directed by Agency, Contractor will continue performance under this Agreement while matters in dispute are being resolved.

In the event the parties agree to mediation, the party proposing mediation will provide the other party with the names of three mediators (provided by the American Arbitration Association,

JAMS, or other such organization), each of which is acceptable to that party. The other (second) party will select one of the three mediators and notify the first party of its selection within fifteen (15) days after receiving the names of the three mediators. If the second party fails to make a selection within this fifteen (15) day period, the first party may either select the mediator from among the three it proposed or may pursue its legal and equitable remedies through litigation.

The parties will meet with the mediator within thirty (30) days of his/her selection and will discuss the dispute with the mediator in a good faith effort to reach an agreement. However, nothing in this section requires either party to make a concession or accept an offer. If the mediation does not resolve the matter to the satisfaction of both parties within sixty (60) days after the mediator is selected, either party may pursue its legal and equitable remedies through litigation. Any lawsuit between the parties will be filed and prosecuted in the Superior Court of the State of California. The agreed venue is the County of San Mateo. This section does not limit Agency's right to terminate the Agreement.

21. NOTICE

All notices will be given in writing by personal delivery, or first class mail, to the parties at the following addresses:

If to Agency: Bay Area Water Supply & Conservation Agency
155 Bovet Road, Suite 650
San Mateo, CA 94402
Attention: Chief Executive Officer and General Manager

If to Contractor: _____

Notice given by mail will be deemed received two days after it is deposited in the United States mail postage prepaid, addressed as provided above.

Day-to-day communications will be between _____ for Agency at (650) 349-3000, and _____ for Contractor at (____) _____

22. CONFLICT OF INTEREST

The Contractor warrants and represents that it presently has no interest and agrees that it will not acquire any interest which would present a conflict of interest under California Government Code §§ 1090 et seq. or §§ 87100 et seq. during the performance of services under this Agreement. The Contractor further covenants that it will not knowingly employ any person having such an interest in the performance of this Agreement. Violation of this provision may result in this Agreement being deemed void and unenforceable.

Depending on the nature of the work performed, the Contractor may be required to publicly disclose financial interests under the Agency's Conflict of Interest Code. The Contractor agrees to promptly submit a Statement of Economic Interest on the form provided by Agency upon receipt.

No person previously in the position of director, officer, employee or agent of the Agency may act as an agent or attorney for, or otherwise represent, the Contractor by making any formal or

informal appearance, or any oral or written communication, before the Agency, or any officer or employee of the Agency, for a period of twelve (12) months after leaving office or employment with the Agency if the appearance or communication is made for the purpose of influencing any action involving the issuance, amendment, award or revocation of a permit, license, grant or contract.

23. PUBLICITY

The Contractor, its employees, subcontractors, and agents will not refer to the Agency, or use any logos, images, or photographs of the Agency for any commercial purpose, including, but not limited to, advertising, promotion, or public relations without the Agency's prior written consent. Such written consent will not be required for the inclusion of the Agency's name on a customer list.

24. WAIVER

A waiver of any requirement of this Agreement must be in writing by an authorized representative of the party waiving the requirement. The waiver by either party of a breach of any requirement of this Agreement will not be deemed a waiver of any such breach in the future or of a breach of any other requirement.

25. INTERPRETATION

Section headings are solely for convenience and are not intended to affect the interpretation of the Agreement. The Agreement will be interpreted reasonably, not in favor of or against either party.

26. ENTIRE AGREEMENT

This Agreement including any exhibits or attachments, constitutes the complete agreement between the parties and supersedes any prior agreements, promises, and understandings whether written or oral. This Agreement may be modified or amended only by written instrument signed by both the Contractor and the Agency. In the event of a conflict between the terms and conditions of this Agreement and any Exhibit, the terms of this Agreement will control.

27. NO THIRD PARTY RIGHTS

The parties do not intend this Agreement to create rights in any third parties and nothing in this Agreement should be construed to do so.

28. SEVERABILITY

If any provision of this Agreement or any portion thereof is held to be invalid or unenforceable for any reason, that provision will be reformed and/or construed consistently with applicable law as nearly as possible to reflect the original intentions of this Agreement, and in any event such provision will be severable and will not affect the validity or enforceability of any other provision.

29. BINDING ON SUCCESSORS

All of the terms, provisions and conditions of this Agreement will be binding upon and inure to the benefit of the parties and their respective successors, permitted assigns and legal representatives.

30. AGENCY WARRANTIES

The Agency makes no warranties, representations, either express or implied, beyond such as are explicitly stated in this Agreement.

31. APPLICABLE LAW

This Agreement, its interpretation and all work performed under it will be governed by the laws of the State of California.

IN WITNESS WHEREOF the parties have executed this Agreement by their duly authorized officers as of the day and year first above written.

EXHIBIT B: CALIFORNIA LEVINE ACT STATEMENT

California Government Code Section 84308, commonly referred to as the "Levine Act," prohibits any BAWSCA Board Member from participating in any action related to a contract if he or she receives any political contributions totaling more than \$250 within the previous twelve months, and for three months following the date a final decision concerning the contract has been made, from the person or company awarded the contract. The Levine Act also requires a member of the BAWSCA Board who has received such a contribution to disclose the contribution on the record of the proceeding.

The names of Board members are stated on BAWSCA's website at:

<http://bawasca.org/about/board>

Proposers are responsible for accessing this link to review the names prior to answering the following questions.

1. Have you or your company, or any agent on behalf of you or your company, made any political contributions of more than \$250 to any BAWSCA Board Member in the 12 months preceding the date of the submission of your proposals or the anticipated date of any Board action related to this contract?

YES NO

if yes, please identify the Board Member(s):

2. Do you or your company, or any agency on behalf of you or your company, anticipate or plan to make any political contribution of more than \$250 to any BAWSCA Board Member in the three months following any Board action related to this contract?

YES NO

if yes, please identify the Board Member(s):

Answering yes to either of the two questions above does not preclude the BAWSCA from awarding a contract to your firm or any taking any subsequent action related to the contract. It does, however, preclude the identified Board Member(s) from participating in any actions related to this contract.

EXHIBIT C: BAWSCA Template Participation Agreement

PARTICIPATION AGREEMENT FOR THE WATER LOSS MANAGEMENT PROGRAM FOR DECEMBER 1, 2019 THROUGH JUNE 30, 2020

The Bay Area Water Supply and Conservation Agency (BAWSCA) administers a Customer Meter Accuracy Testing Program (Program), under which [Contractor Name] (Contractor) supports participating BAWSCA agencies in reducing water losses to an economically optimized level and in complying with water loss requirements implemented by the State of California.

BAWSCA has entered into a professional services agreement (PSA) with Contractor, attached and incorporated by this reference as Exhibit A (the PSA).

The respective roles and responsibilities of BAWSCA and each Participating Agency are outlined below:

BAWSCA's Roles and Responsibilities:

1. Overall Program management and coordination.
2. Coordinate Regional Water Loss Control Work Group.
3. Maintain program bill and budget information.
4. Protect from disclosure any confidential information, including confidential or private customer information, provided to BAWSCA by Participating Agency or Contractor.

Participating Agency's Roles and Responsibilities:

1. Agreement to Program Scope of Work (Exhibit B).
2. Provide data to complete selected Program tasks to Contractor in a timely manner.
3. Cooperate with BAWSCA in the administration of the Program.

Participating agencies may be required to pre-pay BAWSCA a deposit of 100% of the maximum program cost shown in line I of the table on page 3. BAWSCA will determine whether the deposit account will be required upon receipt of the applications and will notify the Participating Agencies of its determination. If a deposit is required, BAWSCA will invoice individual Participating Agencies for the full deposit amount. Participating Agencies can add funds to their deposit account at any time during the Program period. Each Participating Agency's funds will be separately accounted for and the interest tracked individually. The deposit account will be used by BAWSCA to pay Contractor for the Program implementation costs on a monthly basis. On a monthly basis, BAWSCA will invoice each Participating Agency for its Program costs, detailing use of the deposit account, and identifying the remaining budget balance. At the end of the fiscal year, each Participating Agency will have the option of receiving a check for any remaining balance in the deposit account or applying the remaining balance to participation in next year's Program.

Participating Agencies may terminate participation in the Program upon 30 days written notice to BAWSCA. Participating Agencies electing to terminate their participation will be responsible for all costs related to the Participating Agencies' participation in the Program up to the effective date of termination.

1. NAME OF AGENCY:

3. PHONE:

2. CONTACT PERSON*:

4. E-MAIL:

*Prior to finalizing this Application, Agency Representative should contact Contractor to review requested program details to ensure program success. Contact Contractor at [insert e-mail] or [insert phone].

Participating Agency will be billed according to the Program Cost below. If Participating Agency wishes to revise its Program Parameters it must give 30 days' advance notice.

Program Item	Unit Cost x Quantity	Total Cost
A.		
B.		
C.		
D.		
E.		
F.		
G.		
H. BAWSCA Administration Fee	Waived for Year One	\$0
I. Maximum Program Cost	Total Items A - H	\$

To memorialize this arrangement, please have the enclosed copy of this Application to Participate executed by an individual authorized to enter into such agreements and return it to BAWSCA, attention Andree Johnson, **no later than September 30, 2019** to begin the program on October 1, 2019. Agencies wishing to enroll after September 30th can enroll on an ongoing basis.

By submitting this Application to Participate, the Participating Agency agrees to pay its share of the Program costs, up to the maximum in line I. within thirty (30) days of its receipt of an invoice from BAWSCA. In addition, the Participating Agency represents it has reviewed the PSA attached hereto as Exhibit A; and the Participating Agency hereby acknowledges and finds acceptable the terms and conditions of the PSA including all of its exhibits. The Participating Agency is responsible for working with Contractor to ensure it remains within the Maximum Program Budget. Participating Agency agrees to hold BAWSCA harmless from any claims or actions arising from Contractor's performance or any allegation that materials or services provided by Contractor infringe or violate third party intellectual-property right. The person signing below represents and warrants that they are authorized by the Participating Agency to bind the Participating Agency to this Participation Agreement.
