**BAY AREA WATER SUPPLY & CONSERVATION AGENCY**  
**STATEMENT OF INVESTMENT POLICY**

**1. Introduction**

The investment policies and practices of the Bay Area Water Supply & Conservation Agency (BAWSCA) are based on state law and prudent money management. All funds will be invested in accordance with the Agency's Investment Policy and the California Government Code.

**2. Scope**

This policy applies to all funds and investment activities under the direction of the Agency, including funds held in the name of the Bay Area Water Users Association (BAWUA), a California nonprofit corporation of which the Agency is the sole member.

**3. Prudence**

The standard of prudence to be used by investment officials shall be the "prudent investor" standard and shall be applied in the context of managing an overall portfolio. All persons investing, reinvesting, purchasing, acquiring, exchanging, selling and managing public funds shall act with care, skill, prudence and diligence under the circumstances then prevailing, including, but not limited to, the general economic conditions and anticipated needs of the Agency, that a prudent person acting in a like capacity and familiarity with those matters would use in the conduct of funds of a like character and with like aims, to safeguard the principal and maintain the liquidity needs of the Agency.

Investments shall be made with the judgment and care which persons of prudence, discretion and intelligence exercise in the management of their own affairs, not for speculation, but for investment, considering the probable safety of their capital as well as the probable income to be derived, and in accordance with the provisions of Government Code Section 53600 et seq.

**4. Objectives**

The primary objectives, in priority order, of the Agency's investment activities shall be:

A. Safety. Safety of principal is the foremost objective of the investment program. The Agency's funds shall be invested in a manner that seeks to ensure preservation of capital.

B. Liquidity. The Agency's investments will remain sufficiently liquid to enable the Agency to meet its cash flow requirements.

C. Return on Investment. The Agency's investments shall be designed with the objective of attaining a market rate of return consistent with the constraints imposed by its safety and liquidity objectives.

## 5. Delegation of Authority

The management and oversight responsibility for investments is hereby delegated to the CEO/General Manager who shall monitor and review all investments for consistency with this Investment Policy.

## 6. Investment of Funds

### A. Permitted Investments and Depositories

(i) Agency funds may be deposited only in state or national banks and state or federal savings associations with offices in California that meet the requirements and conditions of the California Government Code, as it may be amended from time to time.

(ii) Collateralization will be required on all deposits in excess of the Federal Deposit Insurance Corporation (FDIC) limit, in accordance with Government Code Sections 53630-53687 and Section 16522.

(iii) Funds not deposited in banks or savings associations shall be invested in the Local Agency Investment Fund administered by the Treasurer of the State of California, in accordance with Government Code Section 16429.1.

### B. Other Limitations

(i) The General Manager may maintain separate accounts for the Agency and for BAWUA.

(ii) Investment maturities shall be based on a review of cash flow forecasts and shall be scheduled so as to allow the Agency to meet all projected obligations. The maturity of any certificate of deposit shall not exceed 12 months.

## 7. Investment of Bond Proceeds

Permitted Investments and Depositories. Pursuant to Government Code section 53601(m), a local agency may invest bond proceeds "in accordance with the ordinance, resolution, indenture, or agreement of the local agency providing for the issuance of those bonds." Typically, a local agency will specify in its investment policy that the investment of bond proceeds is out of the scope of the investment policy because permitted investments are specified in the bond indenture.

Instead, BAWSCA has determined that it would like to at least temporarily use its Investment Policy to restrict the vehicles permitted for the investment of bond proceeds to more conservative investments than are permitted by the Revenue Bond Indenture, dated January 1, 2013, by and between BAWSCA and the Trustee (the "Indenture"). This gives

BAWSCA the flexibility to, through amendments to future Investment Policies, gradually expand permitted investments for bond proceeds to include some or all of the investment vehicles permitted in the Indenture. As such, notwithstanding language allowing a broader range of investment vehicles in the Indenture, bond proceeds may be invested only in the following instruments:

(i) “Federal Securities” meaning direct and general obligations of the United States of America, or those which are fully and unconditionally guaranteed as to timely payment of principal and interest by the same;

(ii) “Money Market Mutual Funds” meaning funds registered under the Federal Investment Company Act of 1940, whose shares are registered under the Federal Securities Act of 1933, and having a rating by Standard & Poor’s of “AAAm-G” or “AAAm” and, if rated by Moody’s, having a rating by Moody’s of “Aaa,” including money market funds from which the Trustee or its affiliates derive a fee for investment advisory or other services to the fund or for which the Trustee or any of its affiliates serve as investment administrator, shareholder servicing agent, and/or custodian or subcustodian, notwithstanding that (i) the Trustee or an affiliate of the Trustee receives fees from funds for services rendered, (ii) the Trustee collects fees for services rendered pursuant to this Indenture, which fees are separate from the fees received from such funds, and (iii) services performed for such funds and pursuant to this Indenture may at times duplicate those provided to such funds by the Trustee or an affiliate of the Trustee;

(iii) “Certificates of Deposit” (including those placed by third parties pursuant to an agreement between the Agency and the Trustee), trust funds, trust accounts, overnight bank deposits, interest bearing money market accounts, time deposits, savings accounts, deposit accounts, bankers’ acceptances or money market deposits which are fully insured by the Federal Deposit Insurance Corporation, including those of the Trustee or its affiliates; and

(iv) “U.S. Agency Securities” meaning bonds, debentures, notes or other evidence of indebtedness issued or guaranteed by any of the following non-full faith and credit U.S. government agencies: (1) senior debt obligations of the Federal Home Loan Bank System; (2) senior debt obligations of the Federal Home Loan Mortgage Corporation (FHLMC); (3) senior debt obligations of the Federal National Mortgage Association (FNMA); and (4) consolidated systemwide bonds and notes of the Farm Credit System. The investment in U.S. Agency Securities has a sector allocation limit not to exceed 40% of total stabilization fund market value at the time of purchase.

## **8. Reporting Requirements**

The CEO/General Manager shall provide the Board a quarterly investment report, which shall include the information specified in Government Code Section 53646.

**9. Annual Review of Investment Policy**

The CEO/General Manager shall annually submit a Statement of Investment Policy to the Board, which the Board will consider at a public meeting. The Agency shall also annually verify that deposits are properly collateralized.
